

EL FIESTON (CATALINA Island)

Full day EXCURSION/transfer from PUJ/BAY

The perfect excursion for sea lovers, sports and fun

After an air-conditioned bus ride from the hotel through Bayahibe's beach, an old fishing village, we embark on a spacious catamaran, taking a small walk in front of Casa de Campo's coastline and sailing to the fabulous island Catalina. Within this trip and on the island, you will be able to enjoy activities like Banana Boat, Mega Wing, Creole fishing, snorkeling, dances, and even a representation of our typical Dominican carnival.

On the island, our guests will enjoy a delicious Dominican buffet: white rice, red beans, green salad (lettuce, tomato, cabbage, cucumber), vegetable salad, garlic chicken, seafood platter (prawns, mussels, squid, Shrimps and fillets of grouper), pasta with sauce, varied fruits, coffee and traditional beverages. Burgers included in the boat.

Finally, we enjoyed a tour of Altos de Chavón, City of artists and a replica of a magnificent villa in a medieval village. Romantic atmosphere surrounded by artisan shops, museum, Amphitheater, church and restaurants with spectacular view of the Chavón River.
