

OUTBACK SAFARI

Full day EXCURSION/transfer from PUJ

The perfect excursion for lovers of adventure and countryside

Perfect excursion to meet. We will visit a real Dominican house and a rural school to interact with the locals. We will take a hike through cocoa plantations, learning how to work organic coffee and chocolate and then enjoy a delicious Dominican lunch in a rancho.

We will observe native animals like crocodiles, iguanas, turtles and we'll have fun doing body board on a beautiful beach. During the Tour a professional guide will explain to us about the history, culture, plants, animals and the way in which the Dominicans have lived for more than 100 years.
