

## PARASAILING POWER ADVENTURE

Half day EXCURSION/transfer from PUJ

A day full of emotions and adventures with four different activities in the same tour: snorkeling, scuba diving, parasailing and catamaran party, an incomparable combination for your holiday in Punta Cana. Combine many adventures in half a day and live an unforgettable experience. Experience the sky and the sea to the fullest with this excursion in which you will be able to know the coast of Bavaro in a way without equal.

Do some snorkeling and scuba diving in beautiful reef formations and discover the wonders of the underwater world. Then conquer the skies with the parasailing, an activity that will elevate you above the sea and sand, allowing you to have the best panoramic view of the coast.

At the end of the day, enjoy a fun catamaran party. Everything you need for the best day of your holiday.

**Includes:**

Snorkeling, scuba diving and parasailing equipment, coastal boating, fruit, drinks and air-conditioned roundtrip transportation.
