

SANTO DOMINGO

Full day EXCURSION/transfer from PUJ/BAY/LRM
The perfect excursion for lovers of national culture

We leave first thing in the morning from the hotel, in comfortable and modern buses accompanied by an expert guide. This extraordinary tour counts with the visit to the places of great tourist interest of the modern and colonial city, as they are: panoramic visit to the modern city to the lighthouse of Colon where we will take photos; The Malecon of Santo Domingo, the square of the culture, presidential palace of Santo Domingo the Avenue of the port, until arriving to the Colonial zone where the hike begins in the Alcazar of Colon.

We visited the royal audience, Palace of captains, governors and generals, chapel of the remedies and the national pantheon. Without a doubt, a journey full of history and culture on our roots. Walk down the streets to the Ozama fortress, stop for photos in the fortress Ozama, visit the Cathedral, stop at the park Colón for photos (10 minutes), then lunch in the same Colonial area (restaurant crop PERICO), located opposite one of the Most emblematic monuments of Colonial history. After lunch we went shopping to buy Dominican souvenirs and started walking back to the bus. We finally moved to the hotels.
