

## SAONA ISLAND (Caribbean Sensation Island)

Full day EXCURSION/transfer from PUJ to BYH

*The perfect excursion for the lovers of the sea, the sun and the nature*

Enjoy the unique experience of sailing catamarans and speedboats crossing the different blue of the Caribbean Sea. Saona has become the Dominican Republic's number one excursion through the years. An unforgettable experience that combines the beauty of the National Park of the east with the tranquility of the Caribbean Sea.

After an air-conditioned bus ride from the hotel through Bayahibe's beach, a former fishing village, we embark on a spacious catamaran or motorboat and sail along the coast in the direction of Saona. (Open Bar included in catamaran, either to the one way or to the return). Upon arrival, we can rest, enjoy a paradisiacal landscape or walk along the island. At lunch time, the buffet will be waiting for us (rice, chicken and fish meat, pasta salad, vegetable salad, fruit and coffee), with drinks included (rum, beer, water, soda).

On the way back we sail to the natural pools, with sand banks, a starfish sanctuary where we can swim with them. We continue our journey back, not without before making a stop at the Canal de Pertuano, where we will have a panoramic view of the mangroves, lush vegetation that grows exclusively in saltwater.
