

SCAPE PARK

"A place where nature embraces your senses, takes you back in time and fills you with emotion."

Scape Park is a natural theme park that has many attractions, including from adventure activities and adrenaline, to cultural experiences and entertainment, ensuring an unforgettable visit.

Scape Park is located right in the heart of Cap Cana, with a surface area of more than a million square meters. Its limestone topography, presents caverns with diverse interesting geographical accidents, of which one of the most important is the dramatic cliff that we call the Farallon, with more than 100m of height and a length of more than 800m, offering spectacular Views in several of the park's activities. This terrain has many elements such as: Caverns, caves, cenotes and other natural attractions that are integral part of the project.

Full Day: It gives us the ease of choosing three activities options plus lunch in the park.
